

## Fritidsgarn felted pillowcase

This pillowcase is knit in the round and grafted top and bottom. It fits a 30 x 30cm pillow, or you can simply stuff it once felted.

**Yarn:** Fritidsgarn 100% wool. 3 balls for a solid pillow. (The striped one shown uses a green that is discontinued, but we can recommend the following colours to recreate the “Canadiana” stripes: 1012, 5575, 2206, 4219, 8274)

**Needles:** 6mm 40cm circulars.

CO 112 sts. Knit in round for 82 rows. (If striping, each stripe should be 9 rows, adding one extra to the first stripe, as it is lost to seaming.) Graft across, then felt. Stuff with filling or pillow insert, then sew across bottom. Add zipper if desired.
