

Rimu DK ribbed scarf

This design was made by machine as samples to show off the beauty of the possum yarn. Once the samples hit the stores everyone wanted to know the pattern. It is simple and straightforward, and can be adjusted to size. It's a long, wide scarf, so 3 balls would be enough for a slightly smaller scarf.

Yarn: Zealana Rimu DK 60% merino, 40% possum, 4 balls. Shown in R02.

Needles: 4mm ndls.

Measures: after blocking approx 19cm wide, 192cm long.

CO 59 sts. Wrong side: slip first st purl wise, p3k3 until end, purl last st. Right side: slip first st knit wise, then k3p3 until end, k last st. Continue with these two rows until you run out of yarn or reach the desired length. Machine wash for best results.
